

**KINGSTON RUGBY FOOTBALL CLUB [KRFC]
MEMBERSHIP 2008/09**

Now is the time to pay the revised membership rates agreed at the Annual General Meeting on 8. July 2008.

PRICES

Individual senior player @ £25.00 per month or £10.00 per month for non-earners, for example, students and unemployed. The £10.00 rate also applies to players at under 18 level.

Individual mini and junior players @ £10.00 per month with players at under 17 level also falling into this category.

Where there are two or more mini and/or junior players from the same family then the total cost [not £10.00 per player] remains at £10.00 per month.

Individual social members @ £6.00 per month.

HOW TO PAY

Complete in FULL a Standing Order Mandate so that your Bank or Building Society is instructed by you to pay KRFC the required money each month.

Make sure the SO Mandate has the name and address of your Bank or Building Society along with an Account name and number as well as Sort Code. Sign and date the SO Mandate then return to your Bank or Building Society. It is your responsibility to return the SO Mandate to your Bank or Building Society.

Date wise the effective date for payment is 1. September 2008. Of course, if you submit the mandate later than this then just put in the next available 1st of the month date.

If you are an existing paying member by SO then the fresh SO Mandate will replace the original instruction. Your Bank or Building Society is responsible for this transaction.

SO Mandate forms are available from the Clubhouse. Just ask a Committee member.

Payments will be monitored monthly from the KRFC Bank Statement where your membership monies are deposited.

A major review of the take up of the new and increased rates will be based on the Bank Statement for the month ending 11. October 2008.
